

DAWSON

A Native Hawaiian Organization Certified 8(a) Small Business

Global Provider of Installation and Mission Support Services to our Federal Clients

DAWSON is a Native Hawaiian Organization (NHO) certified 8(a) Small Business with over 25 years of experience understanding and meeting the operational challenges and mission critical needs of our clients. From Global Surveillance Systems support of Unmanned Aerial Vehicles, to sustainment of facilities and systems subject to High Altitude Electro-Magnetic Pulse (HEMP) threats.

DAWSON was ranked **#1 in Professional & Technical Services** and **#2 in the TOP 20 NHO Contractors** by GovWin! DAWSON has the requisite experience and capabilities to meet varied logistical demands. DAWSON is **ISO 9001:2015** and **ISO 14001:2015** Certified! Making the difference in all we do is our commitment to *Kūpono Ka Hana* – Excellence in Service.

With strategic global locations, DAWSON ensures our clients have an NHO 8(a) small business alternative to meet their installation and mission support needs. From the Pacific Rim and throughout the CONUS, DAWSON can satisfy your global mission needs with qualified resources and capabilities.

Services provided to our Federal Clients:

- Intelligence, Surveillance and Reconnaissance (ISR) Operations and Maintenance (O&M) Readiness Support
- Program management and technical support
- O&M in contingency environments around the globe
- Airfield O&M Support
- Comprehensive grounds maintenance
- Facilities management and O&M
- Test and Evaluation
- Secured facilities O&M
- Real property inventory and management
- Fuel facility infrastructure assessment and management
- Emergency Management/Chemical Biological Radiological Nuclear (CBRN) program support

Excellence in Service is the DAWSON difference that delivers value to our clients

By leveraging DAWSON's efficient and proven organizational and operational approach to logistics management solutions, our clients realize considerable economic and value-added benefits:

- Accelerated acquisition through the Native 8(a) process
- Global presence including in-place and proven strategic partnerships with access to more than 15,000 personnel worldwide
- Cleared personnel allowing us to operate in secured environments
- Agility and accessibility of a small business with large business financial stability

"I really appreciate (DAWSON) jumping on this and making it happen. This support to the fleet is critical to keeping operations going. Please pass on my thanks to everyone involved."

CDR NAVFAC, Mayport Naval Station, concerning DAWSON's installation of a 60 ton Chiller

Proven Project Experience

PROJECT: Persistent Ground Surveillance System Infrastructure Support
LOCATION: Middle East and Continental United States | **CLIENT:** Department of the Navy
SCOPE: At strategic locations across CONUS and the Middle East, DAWSON provides ISR infrastructure development, sustainment, and O&M services to ensure mission readiness of unmanned aerial vehicle (UAV) and aerostat surveillance systems.

PROJECT: Global Engineering, Integration, and Technical Assistance 2011 (GEITA 11) Contract
LOCATION: Worldwide Locations | **CLIENT:** Air Force Civil Engineer Center (AFCEC)
SCOPE: As a successful GEITA prime contractor, DAWSON supports AFCEC missions worldwide through the execution of multiple Advisory and Assistance Services (A&AS) Task Orders. Deliverables include professional and management services, studies analysis and evaluations, and engineering and technical experience support services.

PROJECT: Operation of Transient Aircraft Alert Services
LOCATION: Joint Base Pearl Harbor, HI | **CLIENT:** Department of the Air Force
SCOPE: DAWSON provided 24 hour/365 day management of transient aircraft operations. Installation and Mission Support services covered facility operations, inventory management and coordination of flight operations.

PROJECT: Comprehensive Grounds Maintenance and Snow Removal
LOCATION: US Air Force Academy, Colorado Springs, CO | **CLIENT:** US Air Force Academy
SCOPE: DAWSON provides grounds maintenance, landscape, and snow removal services at this "show place" base for the U.S. Air Force, preserving over 397,596 acres of improved, semi-improved, and unimproved grounds.

PROJECT: General Maintenance, Repairs, and Services of Critical Systems/Equipment in Secured Facilities
LOCATION: Fort Shafter & Maui, HI, American Samoa, Saipan
CLIENT: 9th Mission Support Command, US Army Reserve
SCOPE: DAWSON provides preventive maintenance services and emergency and remedial repairs of mission critical systems to all 9th MSC Army Reserve Installations in the Pacific Region.

PROJECT: Real Property Inventory and Management for Defense Logistics Agency (DLA)
LOCATION: CONUS, Hawaii, Europe, Pacific Rim | **CLIENT:** USACE, Fort Worth District
SCOPE: DAWSON provides enterprise business system support, real property management, DLA warehouse initiatives support and analysis, Supplemental Chief Financial Officers Act support, and DLA Distribution Regional Planning Initiative support for DLA secure facilities worldwide.

PROJECT: Facility Management Support
LOCATION: Colorado Springs, CO | **CLIENT:** USAFA Association of Graduates (AOG)
SCOPE: As the prime contractor, DAWSON provides full time facility management for the AOG facilities on the USAF Academy, as well as interior maintenance, repairs, minor renovations, grounds maintenance, snow removal, minor vehicle and equipment maintenance, and administrative support related to facilities management.

PROJECT: Emergency Management and Expeditionary Engineering Program Support
LOCATION: Tyndall, AFB, FL | **CLIENT:** AFCEC Readiness Directorate (CXR)
SCOPE: DAWSON provides Senior-level SME support on all facets of Expeditionary Engineering operations, Emergency Management/Chemical, Biological, Radiological, and Nuclear (CBRN) operations, and Explosive Ordnance Disposal (EOD) operations supporting areas such as equipment acquisition, contingency/wartime deployment, strategic planning, airfield damage repair, exercise planning and execution, and training and education development.
